Council Report 12/28:

Weatherization Program:

Reminder again: Gov. Kay Ivey has awarded grants totaling \$3.2 million to assist low-income, elderly, and disabled Alabama residents with weatherizing their homes to lower energy costs. Specifically, \$291,917 was allocated to Central Alabama Regional Planning and Development Commissions for residents within Shelby and a few neighboring counties. Shelby county has had 0 applicants, and the goal is 8.

I attached the cover letter, application, and informative brochure. The brochure gives more detail on who qualifies. Not everyone will be qualified, but word of mouth is crucial for a program like this! If anyone has any further questions, they can call the Central Alabama Regional Planning and Development Commissions at 334-262-4300 ext. 217.

ADECA Grant:

ADECA announced their Healthy Foods Financing Program. The Healthy Food Financing Act of 2015 provided for the establishment of a statewide program and \$200,000 to provide financing to retailers to open, renovate, or expand grocery stores in low and moderate-income areas to increase the availability of fresh and nutritious food, including fruits and vegetables, in underserved communities in Alabama.

We want to use this funding to construct a permanent open-air market structure in Montevallo. Location is a critical part of this grant. We discussed a few locations including but not limited to behind the Victory Building. There is a \$50,000 cap on ADECA funding with a 50% match required by the city.

To apply, council will need to vote to approve it.

Hi Steve,

Hope you're doing well and had a great Christmas. The following is the library's council report for tonight. It's very short and I won't need any handouts:

- The library is continuing our limited reopening as scheduled: open to the public on Mondays, Wednesdays, and Fridays from 10-5; curbside only on Tuesday and Thursday from 10 – 8 and Saturday from 10-1.
- Now that the holidays are over, we'll begin planning for our virtual programs and take-home activities for early spring.

That's really all I have for this week, but next time I'll have my statistics to report on.
Thanks,

Councilwoman Swords:

I will be taking next week off for some rest and relaxation and will not be at the City Council meeting on December 28. My report is below. I have CC'ed the City Clerk, Assistant City Clerk, and my Board President for their records. Please read it on my behalf on Monday night, if you don't mind!

Thanks, and Merry Christmas!

Montevallo Main Street Report to City Council – Dec. 28

- Thank you to everyone who shopped local for Christmas and supported our small businesses!
- On tonight's agenda, we are asking the City Council to allow us to install a locally-made metal sculpture of a sun at Bicentennial Park. A sheet with more details is included in your packets. In summary, we are asking for permission to relocate the sculpture first, then we will ask well-known local artist Robin Metz to refurbish and repaint it. If approved, this will continue to beautify our downtown and bring more local art and vibrancy to our Main Street District.
- We shared information about the new COVID Relief Package passed last week by Congress in this morning's e-mail newsletter. If you would like to join our mailing list, email mainstreet@cityofmontevallo.com.
- We will be welcoming 5 new members to our Board of Directors in January.

Respectfully submitted,

FLOOD DAMAGE PREVENTION ORDINANCE
City of Montevallo, Shelby County, Alabama
Ordinance # 12142020 - 302

APPENDIX 9

ARTICLE 1

STATUTORY AUTHORIZATION, FINDINGS OF FACT, PURPOSE AND OBJECTIVES

SECTION A **STATUTORY AUTHORIZATION**

The Legislature of the State of Alabama has in Title 11, Chapter 19, Sections 1-24, Chapter 45, Sections 1-11, Chapter 52, Sections 1-84, and Title 41, Chapter 9, Section 166 of the Code of Alabama, 1975, authorized local government units to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry. Therefore, the Montevallo City Council, of Shelby County, Alabama, does ordain as follows:

SECTION B **FINDINGS OF FACT**

- (1) The flood hazard areas of the City of Montevallo, Shelby County, Alabama are subject to periodic inundation which results in loss of life and property, health and safety hazards, disruption of commerce and governmental services, extraordinary public expenditures for flood relief and protection, and impairment of the tax base, all of which adversely affect the public health, safety and general welfare.
- (2) These flood losses are caused by the occupancy in flood hazard areas of uses vulnerable to floods, which are inadequately elevated, flood proofed, or otherwise unprotected from flood damages, and by the cumulative effect of obstructions in floodplains causing increases in flood heights and velocities.

SECTION C **STATEMENT OF PURPOSE**

It is the purpose of this ordinance to promote the public health, safety and general welfare and to minimize public and private losses due to flood conditions in specific areas by provisions designed to:

- (1) require that uses vulnerable to floods, including facilities which serve such uses, be protected against flood damage at the time of initial construction;
- (2) restrict or prohibit uses which are dangerous to health, safety and property due to water or erosion hazards, or which increase flood heights, velocities, or erosion;
- (3) control filling, grading, dredging and other development which may increase flood damage or erosion;
- (4) prevent or regulate the construction of flood barriers which will unnaturally divert flood waters or which may increase flood hazards to other lands; and

- (5) control the alteration of natural floodplains, stream channels, and natural protective barriers which are involved in the accommodation of flood waters.

SECTION D OBJECTIVES

The objectives of this ordinance are:

- (1) to protect human life and health;
- (2) to minimize damage to public facilities and utilities such as water and gas mains, electric, telephone and sewer lines, streets and bridges located in floodplains;
- (3) to help maintain a stable tax base by providing for the sound use and development of flood prone areas in such a manner as to minimize flood blight areas,
- (4) to minimize expenditure of public money for costly flood control projects;
- (5) to minimize the need for rescue and relief efforts associated with flooding and generally undertaken at the expense of the general public;
- (6) to minimize prolonged business interruptions, and
- (7) to ensure that potential home buyers are notified that property is in a flood area.

ARTICLE 2 **GENERAL PROVISIONS**

SECTION A LANDS TO WHICH THIS ORDINANCE APPLIES

This ordinance shall apply to all Areas of Special Flood Hazard within the jurisdiction of the City of Montevallo, Shelby County, Alabama.

SECTION B BASIS FOR AREA OF SPECIAL FLOOD HAZARD

The Areas of Special Flood Hazard identified by the Federal Emergency Management Agency in its **Flood Insurance Study (FIS)**, dated February 20, 2013, with accompanying maps and other supporting data **and any revision thereto**, are adopted by reference and declared a part of this ordinance. For those land areas acquired by a municipality through annexation, the current effective FIS and data for the City of Montevallo, Shelby County, Alabama are hereby adopted by reference. Areas of Special Flood Hazard may also include those areas known to have flooded historically or defined through standard engineering analysis by governmental agencies or private parties but not yet incorporated in the FIS.

RESOLUTION NUMBER #122820-303

BE IT RESOLVED, by the City of Montevallo as follows:

That the City enter into an agreement with the State of Alabama, acting by and through the Alabama Department of Transportation relating to a project for:

Sidewalks along SR-25 from Day Dr. to Gardner St.; Project# TAPAA-TA21(924); CPMS Ref# 100072684.

Which agreement is before this Council, and that the agreement be executed in the name of the City, by the Mayor for and on its behalf and that it be attested by the City Clerk and the official seal of the City be affixed thereto.

BE IT FURTHER RESOLVED, that upon the completion of the execution of the agreement by all parties, that a copy of such agreement be kept on file by the City.

I, the undersigned qualified and acting Clerk of the City of Montevallo, Alabama, do hereby certify that the above and foregoing is a true copy of a resolution lawfully passed and adopted by the City named therein, at a regular meeting of such Council held on the 28 day of DECEMBER, 2020, and that such resolution is on file in the City Clerk's Office.

Memorandum of Agreement for Law Enforcement Services

This Memorandum of Agreement will serve as the continuation of the previously agreed upon Contract for Law Enforcement for the schools in the Montevallo school zone as outlined by the comprehensive Safe Schools Initiative. This agreement is in support of and defined by the following schools: Montevallo Elementary, Montevallo Middle, and Montevallo High School.

The Shelby County Board of Education, the City of Montevallo, and the Shelby County Commission agree to support the presence of law enforcement in and around the schools in the Montevallo school zone.

The agreement will be executed forthwith under the same Purpose, Terms, Payment Schedule and Provision of Services as outlined in the original Contract for Law Enforcement Services and signed by all parties and dated on July 22, 2013.

1. In consideration of the agreements made herein, Shelby County Schools shall provide the City of Montevallo the annual sum of \$30,000, with one-half to be paid by November 5th and the remainder to be paid February 5th each year, for a law enforcement presence in or around Shelby County Schools in the specific zone outlined in this document. However, in the event that proration is declared by the Governor the amount may be reduced by the percentage proration.
2. In consideration of the agreements made herein, the City of Montevallo shall provide the annual amount of \$14,250 annually.
3. In consideration of the agreements made herein, the Shelby County Commission shall provide the annual amount of \$14,250 annually.

IN WITNESS WHEREOF, the parties to this Agreement have caused the same to be signed by their duly authorized representatives this 2 day of November, 2020.

City Council:

The Montevillo Main Street Design Committee asks you to consider their proposal of relocating this metal sculpture of a sun to Bicentennial Park. We propose to install the sculpture on the right side of the park where there's currently a "bald spot" in the grass.

- The sculpture is 62" x 62".
- There will be no cost to the city other than the time of Public Works staff installing it, which should be minimal. Main Street will cover other costs.
- The sculpture was built in Montevillo by local artists and was previously displayed at Montevillo Elementary School.
- This proposed location has the full support of our Design Committee, represented by Chair Kirk Lightfoot, who also served on the Bicentennial Committee which designed Bicentennial Park.
- If Council approves relocating the sculpture to this area,
 - We will then ask well-known local artist Robin Metz to refurbish it and paint one of her iconic faces on the sun. Two of her suns have recently been featured on the CBS morning show, which is nationally televised. Below I have created a very primitive rendering of what this sculpture may look like, but of course the finished product will look much nicer.
 - At this point, we do not have a timeline for this project, other than ASAP.
 - There is an interesting way to tie in the sun theme to Bicentennial Park that has to do with George Washington's "Rising Sun Armchair," a duplicate of which is on permanent display at American Village. Mr. Lightfoot has also proposed that, if this project is approved by the council, we host a small dedication ceremony and invite Tom Walker to speak.

Thank you for your consideration,

Courtney Bennett, Executive Director

Kirk Lightfoot, Montevillo Main Street Board of Directors, Design Committee Chair

MEMORANDUM

TO: All Interested Parties

FROM: Kenneth W. Boswell
Director 

SUBJECT: Healthy Food Financing Program

The Alabama Legislature has provided the Alabama Department of Economic and Community Affairs (ADECA) with \$200,000 in the fourth round of Healthy Food Financing Program funds for the 2021 Program Year. ADECA will distribute these funds through a one-time statewide competition to projects that meet legislative intent to increase availability of fresh and nutritious food in underserved communities. This Memorandum serves to inform the interested parties to apply or assist potential or eligible vendors and nonprofits to apply to ADECA by the February 1, 2021, application deadline. The attached policies and procedures explain the specific qualifying requirements and provides an application form to be completed along with a list of attachments to be submitted with the application.

For elected officials, nonprofits, and other interested parties familiar with the existence of food deserts in their communities, this program offers an excellent opportunity to address those needs. Potential projects may comprise of grocery stores, expansion or renovation of grocery stores, installation of cold/freezer equipment in existing stores, mobile grocery vans and delivery, food banks, farmers markets, and other venues that will help to bring healthy foods to families in food desert areas. The financial feasibility and long-term sustainability of the project will drive the funding decision.

If there are any questions about this program, please contact Tammy Perdew at (334)353-3266 or Shabbir Olia at (334)242-5468.
