MUNICIPAL COURT
545 MAIN STREET • MONTEVALLO AL 35115

DISMISSIBLE TICKETS

Certain tickets may be dismissed if various criteria are met, prior to the court appearance date, such as;

No License in Possession

The judge or magistrate may dismiss your citation if you can show that you had a license, which was valid at the time you received your ticket.

Driving without First Obtaining a Driver's License

The judge or magistrate may dismiss your citation with payment of court costs if you can show you currently have a valid license.

No Insurance

The judge or magistrate may dismiss your citation if you present insurance on that vehicle, which was valid on the date of citation. If your vehicle insurance was effective AFTER the date of citation, your citation may be dismissed upon payment of court costs. This proof must show the vehicle covered, the policy number, the starting date of coverage, and the end date of coverage.

***Court staff may contact your insurance company to determine if the insurance was valid. Presentation of false insurance is a crime. ***

Equipment Violations

Many equipment violations, including Window Tint, may be dismissed if you have the defect repaired and inspected by a City of Montevallo police officer within 72 hours (excluding Sundays and legal holidays). If your repaired vehicle conforms to state law, the officer will sign off on the back of your ticket. You must then deliver this ticket to the court offices on or before your court appearance date.
